Some suggestions.....

1. The deadline tied to the registration process...

3. Compatibility between the curriculums of the Home and the Host Universities; *Learning Agreement*
4. The Visa and Residence Permit requirements in the foreign Country
5. The deadline for booking accommodation

BREXIT

The UK has now agreed a deal and left the EU on 31 January 2020. Under the Withdrawal Agreement negotiated with the EU, the UK will continue to participate fully in the current (2014-2020) Erasmus+ and European Solidarity Corps (ESC) programmes.

This means that the projects successfully bid for during the current (2014-2020) Erasmus+ and ESC programmes will continue to receive EU funding for the full duration of the project.

THE TRANSITION PERIOD

There is now a transition period until the end of 2020 while the UK and EU negotiate additional arrangements.

The current rules on trade, travel, and business for the UK and EU will continue to apply during the transition period.

New rules will take effect on 1 January 2021.
