

Considerando le dichiarazioni alla pagina precedente. Descrivere, per ognuno dei seguenti casi, la correttezza di tipo dei seguenti comandi:

(a) `listOne.add(10);`

---

---

---

---

---

---

(b) `listTwo.add(10);`

---

---

---

---

---

---

(c) `Object o = listTwo.get(0);`

---

---

---

---

---

---

(d) `listThree.add(0);`

---

---

---

---

---

---

(e)            `Number n = listThree.get(0);`

---

---

---

---

---

---

---

---

---

---

(f)            `listFour.add(10);`

---

---

---

---

---

---

---

---

---

---

(g)            `Number n = listFour.get(0);`

---

---

---

---

---

---

---

---

---

---
